LightSheer® Laser Hair Removal

A collection of Before & After images from around the world
We don’t just build technology, we build confidence.

What we do changes the way people feel about themselves. We don’t just remove unwanted hair, we remove doubts and worries and the barrier between people and what they can be. We create, design and manufacture confidence.

This is how **confidence** feels
The LightSheer® Family:

LightSheer® DESIRE™

The LightSheer DESIRE uses an 805nm or 1060nm diode laser wavelength with a variety of handpieces, utilizing two advanced technologies. The LightSheer DESIRE is simple to operate, treatments are easy to perform and can be scalable to meet your clinic’s needs.

- High-Speed HS (22x35mm)
- ChillTip XC (12x12mm)
- ChillTip ET (9x9mm)

LightSheer® DUET™

LightSheer DUET is a complete solution for laser hair removal clinics utilizing two 805nm handpieces, ChillTip and High-Speed.

- High-Speed HS (22x35mm)
- ChillTip ET (9x9mm)

Your journey with LightSheer has just begun

We want your business to grow with LightSheer. That’s why we have put together a support package that begins with the first conversation and will stay with you as your business begins to see the benefits. We provide a support package which ensures that you have all the training you need and receive the most up to date clinical materials. Our direct to consumer marketing activities support the brand, keeping LightSheer the treatment of choice when it comes to laser hair removal.

**Lumenis Practice Locator**
Thousands of patients search for treatment providers every month. Help them find your clinic by registering your practice on the Lumenis Practice Locator. We run campaigns through influencers, social media and viral videos to promote this directory.

**Lumenis online**
Consumers have many questions about aesthetic. Our patient-facing websites will give them the reassurance and confidence they need to move forward with the treatments.

**Team Training**
We install the system and train your staff, so that you are able to assess skin types and conditions, creating the perfect treatment plan for each individual patient. Our expert clinical training means they will handle consultations and treatments with confidence.

**Your Most Valuable Resource**
Your dedicated representative is an email, text, or phone call away. We want you to feel part of the Lumenis family, so please feel free to contact us any time. We'll always do our best to get back to you within 24 hours.

**Brand Your Clinic**
As a Lumenis client you will have access to the Lumenis Physician Portal. Here, you can find materials such as brochures and posters. You will also have access to a wealth of clinical and product information.

**Extensive Service Network**
We are committed to providing high quality, comprehensive service for medical equipment repair and maintenance. Lumenis service provides you with peace of mind, so you can focus on patient care, rather than on the equipment.
Lumenis - Five Decades of Innovation

Over 50,000 Systems Installed in 6 Continents

1973
First CO₂ laser supplied to Albert Einstein Hospital (NY, USA)

1980
Introduced SuperPulse™ CO₂ established as the standard in modern laser applications

1993
Invented IPL, Intense Pulsed Light

1999
Launched LightSheer® Technology for laser hair removal

2005
Launched UltraPulse® ActiveFX™ the world’s first micro-fractional CO₂

2007
Launched UltraPulse® DeepFX™ the world’s first micro-fractional CO₂

2008
Launched LightSheer® DUET the first system with High Speed Vacuum Assisted technology

2010
Introduced M22™ the all-in-one aesthetic system for treatment of over 30 skin conditions

2012
Launched UltraPulse® SCAARFX™ the world’s first fractional CO₂ to impact up to 4mm in depth for effective treatment of scars

2013
Launched ResurFX™, the only true fractional non-ablative solution

2014
Launched both the LightSheer INFINITY, advanced dual wavelength, and the LightSheer DESIRE, a compact portable, laser hair removal systems

2015
Launched FemTouch™ the 360° CO₂ laser solution for women’s health

2016
Launched SlimME™, the fastest available body contouring technology
